See Legend for “number” explanation

# Legend: Structures of University Hospital Federico II

## Building 1

- Hematology
- Endocrinology
- Endocrine Surgery
- Emergency Medicine
- Internal Medicine
- Nuclear Medicine
- Oncology
- Rheumatology
- Internal Medicine
- Clinical Nutrition

## Building 2

- Cardiac Surgery
- Cardiology
- Internal Medicine
- Geriatrics
- Clinical Immunology and Allergology

## Building 4

- Clinical Pathology
- Clinical Biochemistry

## Building 5

- Transplant Surgery
- General surgery
- Oncological Surgery
- Plastic surgery
- Thoracic Surgery
- Vascular surgery
- Nephrology (and Dialysis)
- Urology
- Gastrointestinal Rehabilitation Surgery

## Building 6

- General surgery
- Geriatric surgery
- Gastroenterology
- Endocrinology (neuroendocrine pathology, thyroid pathology)

## Building 7

- General surgery
- Oncological Surgery

## Building 8

- Anesthesia

## Building 9

- Obstetrics and Gynecology
- Neonatology
- Obstetric Emergency room
- Clinical Microbiology
- Transfusion Center

## Building 10

- Dermatology
- Radiology I

## Building 11

- Pediatric surgery
- Pediatrics
- Intensive and sub-intensive pediatrics care

## Building 12

- Emergency surgery
- Hand surgery
- Orthopedics

## Building 13

- Audiology
- Otorhinolaryngology Clinic (outpatient clinics only)
- Occupational Medicine

## Building 14

- Maxillo-Facial Surgery
- Dental Clinic

## Building 15

- Ocular Clinic
- Otorhinolaryngology Clinic

## Building 16

- Neurosurgery
- Radiology II
- Neuroradiology

## Building 17

- Neurology

## Building 18

- Infectious diseases
- Psychiatry
- Internal Medicine

## Building 19 – Biological Tower

- Biochemistry
- Chemistry
- Pharmacology
- Physiology
- Hygiene
- Immunology
- Microbiology
- General Pathology
- Dietetics
- Pharmacovigilance
- Clinical toxicology
- Clinical pharmacology

## Building 19/A

- Biochemistry
- General Pathology

## Building 20

- Human Anatomy
- Pathological Anatomy and Histology
- Cytopathology
- Physics
- Legal Medicine
- Psychology
- Statistics
- Central Library
- Multimedia classroom

## Building 21

- Teaching Area of the School of Medicine and Surgery-
- Aula Magna
