

COURSE OR INTEGRATED COURSE	DATE
Chemistry and propedeutical Biochemistry	July 25, 25
Human and Medical Genetics	July 22, 25
Human Anatomy I	July 31, 25
Human Biochemistry	July 29, 25
Human Physiology I	July 21, 25
Human Anatomy II	July 31, 25
Microbiology and Immunology	July 29, 25
Human Physiology II	July 21, 25
General Pathology	July 28, 25
Hygienes and Community medicine	July 28, 25
Medical, Surgical, Clinical Methodology II	July 23, 25
General Physiopathology	July 21, 25
Laboratory Medicine	July 25, 25
Medical Pharmacology and Toxicology I	July 22, 25
Pathological Anatomy and Histology I	July 21, 25
Endocrine and Gastrointestinal diseases	July 23, 25
Medical Pharmacology and Toxicology II	July 22, 25
Nephrology and Urology	July 21, 25
Head and Neck and Sensory organs diseases	July 22, 25
Diagnostic Imaging and Radiotherapy	July 22, 25
Neurology and Psychiatry	July 22, 25
Translational Medicine	July 22, 25
Clinical Medicine	July 23, 25
General Surgery	July 22, 25
Medical and Surgical Emergencies	July 28, 25
