

University of Naples Federico II (ITALY) School of Medicine ENGLISH COURSE IN MEDICINE AND SURGERY					
ADE (Educational Elective Activity) 6th year, academic year 2024-25					
CARDIOPULMONARY RESUSCITATION (CPR) AND EMERGENCY CARDIOVASCULAR CARE (ECC) CARDIOPULMONARY RESUSCITATION Coordinator: Prof. Francesco Cacciatore (francesco.cacciatore@unina.it)					
<i>European Credit Transfer and Accumulation System = 2</i>					
<p><u>Educational contents of the course:</u></p> <p>Basic life support and use of an AED is the first level of care for a person in cardiac arrest. Learning to perform basic life support and to use an automated external defibrillator (AED) is an interactive process that requires both knowledge and skills.</p> <p>This course includes training in how to use an AED when one is available. If there is no AED available, call for help (112-118) and start BLS until professional help arrives.</p> <p>The quality CPR pre and post course assessment will help you understand the importance of a well performed CPR and will allow you to follow your apprentice and skill retention rate.</p>					
Faculty	Position	Department	Scientific field	Hours	e-mail
Francesco Cacciatore	Associate Professor	Translational Medical Sciences	Internal Medicine (MED/09)	2	francesco.cacciatore@unina.it
Francesco Curcio	Assistant Professor	Translational Medical Sciences	Internal Medicine (MED/09)	2	francesco.curcio@unina.it
Maurizio Santomauro	External Expert Physician	Translational Medical Sciences	Internal Medicine (MED/09)	2	santomau@unina.it
Fabio D'Aiello	External Expert Physician	Translational Medical Sciences	Internal Medicine (MED/09)	2
